

Name _____

Table That Rule

Below are some tables. Dewey, Corrie, and Isaac each try to guess the rule. If the rule is correct, write **yes**. If the rule is incorrect, write the correct rule. Complete each table.

1. Dewey says, "The rule for this table is divide by 4."

Dewey's Table	16	32	56	48	12	18	24	30	<i>n</i>
	8	16	28						

2. Corrie says, "The rule for this table is multiply by 2, then subtract 1."

Corrie's Table	7	2	6	4	12	3	10	5	11	<i>n</i>
	13	3	11							

3. Isaac says, "The rule for this table is add 1."

Isaac's Table	2	9	6	4	3	5	8	7	9	<i>n</i>
	3	24	15	9
